AAA Furniture Wholesale provides the original purchaser **one (1) year limited structural warranty** for its stackable metal chairs, wooden chairs, and other metal chairs from the date of the invoice date. The upholstery material should be under upholstery materials factory's warranty. The warranty does not cover apparent damage or wear caused by abusive or abnormal use or handling of the product.

Any such misuse of the product or negligence and/or failure to follow maintenance instructions will automatically void any warranty expressed or implied from any party. Our warranty is limited to credit or replacement of the defective item. AAA does not assume labor charges for unauthorized field repairs. To make a claim under this warranty, contact AAA for a written Return Authorization. This warranty is voided if proper maintenance procedures are not followed. If customer has altered any part on our product, the warranty will be automatically voided.

More specifically, the following situations will automatically void such warranty:

Tilt any chair while sitting on it.

Rock any chair while sitting on it.

Pull or slide any chair while sitting on it.

Put fingers underneath any chair seat.

Stand on any product for any purpose.

Exceed the maximum weight of two hundred fifty pounds (250lbs) on any chair.

Expose any product to water, flame, gas, and excessive heat & humidity.
